New Oil Wells Exciting New Interest As the Flow Goes Over Top

Oil wells, like sandstorms, soon become so common that a new location, a new showing and even a new well is "just another well."

Hamlin has been experiencing new wells spudding, new wells locating the pay, and new wells coming in for several years and it is "just another oil well." BUT the past week has been a little different.

For several months a much watched location and drilling operation has been the Martin & Brubaker No. 1 M. M. Brown near the O. T. Brown well that has produced slightly for two or three years. This Martin & Brubaker well is really one of the extension locations of the Hamlin-McCaulley area. It is south of the old O. T. Brown and no well in all the area has shown a better quality of oil than the Brown. The Martin & Brubaker M. M. Brown is considered a good pay. It means perhaps more new locations toward McCaulley, and east toward Hamlin.

Another location and drilling in operation that is attracting much attention is that of General Crude on the Bryan Ranch northeast of Hamlin. This is in wildcat territory and bids well to become an extension of the Haught National Bank Pool, which has produced for so long. Should the Bryan Ranch well find oil in paying quantities, this will create great interest from Hamlin to the River and northeast across the river.

Another "wildcat" is east of Hamlin near Tuxedo. The May farm is graced with a big derrick and what a sensation will be created should there develop a "Tuxedo Dome." Tuxedo may become a big oil city yet.

ROTAN GETS A GUSHER

Perhaps the greatest play of oil in this part of West Texas is that of the Southern Oil Corporation No. 1 Joe Robinson wildcat, two and one-half miles northeast of Rotan. Last

Saturday afternoon oil was found and the depth was 3,505 feet. This well is near the Merry Brothers & Perini and Tidewater production known as the Howard well.

The Robinson well spouted oil over the crown block and great excitement began to play over in Rotan. The test began in January and the general opinion over that way had it "just another test." It now appears to be a new field, perhaps as good as the General Crude area about the Young, Willingham, Flannigan farms near Hamlin. A number of the wells have gushed over the derrick in the field just west of Hamlin and from reports the Robinson well is in about the same capacity field. If this be the case a wide territory will be open for drilling, in both direction in the Howard pool.

It begins to look like our Hamlin man, J. E. Bury is hitting it lucky by the new find near Rotan. The Southern Oil Corporation and J. E. Bury have a lease right in the center of the Robinson 160 acre tract. The question that is exciting: Is the new strike a new play? Is it a continuation of the Nodle Creek, or the Howard strata or the continuation of the eastern Fisher County field. All of this makes interesting guessing. It figures well to stimulate new interest in the general development in this area.

STOP on the RED LIGHT,
CAUTIOUS on the YELLOW light,
GO on the GREEN LIGHT!

Mr. and Mrs. Ernest Cooper who till recently operated the Cooper Service Station near the Britton Gin have moved to Lueders and are now opening a new modern station.

These good folks had been here over three years and made good. Stop when down their way and "fill up! not on beer, but gas. They are still in Jones County.

CHURCH OF CHRIST

WOODIE HOLDEN, Minister.

On account of the service at the High School building, Sunday evening, the evening service at the Church of Christ will begin at seven p. m. in order to give time for both assemblies. Remember the change of time and come on time.

Tune in the Sunday morning broadcast from KRBC Abilene, Sunday morning at 8:30. It will be for your pleasure and profit.

Editor George Behnert of the Sweetwater Reporter, and George Barber, Secretary Mgr. of the Sweetwater Board of City Development and H. A. Walker the President of the Board, were in Hamlin,

Monday to attend a committee meeting to advance the building of the Hamlin-Sweetwater highway.

Mr. and Mrs. R. H. Chiles, who reside on the McCaulley road, three miles from Hamlin, lost their nice new residence by fire, Friday afternoon. Some of the household goods were lost, or very badly damaged. They desire the Herald to express for them their deep appreciation for the contributions and kindness shown them. They will rebuild right away.

NOTICE

Rev. Henry Smith will preach for the First Assembly of God Church, in Hamlin on Wed. night, May 26, located 2 blocks north of Bullard's Filling Station. Everyone invited to come.—J. D. MEEKS, E. C. SANDERS.

BERRIES—Begin picking, Friday, May 20, picking daily except Sunday 20c gallon, purchaser doing picking. J. W. B. Johnson, 7 1-2 miles southeast of Anson. (28-4p)

GRADUATION EXERCISES SUNDAY AND MONDAY

The Hamlin Public Schools will close their work for the present school year this Friday, and the closing exercises will be held on Sunday and Monday.

The Baccalaureate service will be Sunday evening, May 23 at 8:15 o'clock, in the High School Auditorium. The sermon will be given by Rev. M. A. Jenkins, pastor of the First Baptist Church of Abilene.

Music will be furnished by the Schubert Music Club, with Miss Edwina Gilbert, accompanist. Invocation will be given by Rev. W. F. Rutherford, pastor of the Hamlin Nazarene Church and the benediction will be said by Minister Woodie Holden, pastor of the Church of Christ, Hamlin.

Monday evening at 8:15 o'clock The Commencement Exercises will be held in the High School Auditorium with Dr. T. W. Brabham, president of McMurry College Abilene, delivering the main address.

Mrs. W. Earl Smith and daughter Miss Twila Ruth of Wichita Falls came down for the week-end with Mr. Smith. They also moved a part of their furniture to Hamlin. Mr. and Mrs. Smith are to occupy the William F. Johnson residence on Jackson Ave., and Sixth Street, formerly the Brundage home. Mrs. Smith and Twila Ruth will remain in Wichita Falls till school closes there.

Miss Pauline Fudge, of the Flat Top Community has just returned home from Houston and Galveston where she took the examination for a Beauty Operators License. Miss Fudge is a graduate of the Hamlin High School, class of 1930, and one of this communities splendid young women. She was in training for beauty culture in an Abilene School the previous six months.

W. T. Cherry, Hamlin Agent for the Santa Fe is in San Angelo hospital this week for tonsil trouble. He will likely continue on his absence for a month or so. His place is being filled by G. P. Odum, who has been in the office for nearly 20 years. Mr. Odum fills any place from operator, clerk, agent, janitor or call boy—just a good hand at any job.

Mrs. J. H. Higgins of Fredrick, Okla., was a guest last week of her brother, C. C. Prater and family.

MRS. LUTHER MAYFIELD

DIED RECENTLY

People of Hamlin regret to learn of the death on April 26 of Mrs. Luther Mayfield, who formerly lived in Hamlin, but has been a resident of Littlefield for several years. She died in a hospital in Wichita Falls where she had a major operation.

She is survived by her husband and five children, one sister, Mrs. J. M. Bridges of Littlefield and a brother, Ham Veazey of O'Donnell. The family has the deep sympathy of their friends in Hamlin.

Mrs. Mayfield was a Veazey, one of Hamlin's first pioneer citizens.

PURSE PLACED IN

WRONG CAR

Say, Mr. or maybe "Mrs." if you have a 33 Model Chevrolet and you had it parked in front of the York's old store, Saturday afternoon—you found a ladies' purse, placed there by mistake. Take good care of the trinkets, money, etc and let the owner—MISS. FLORENE ROGERS or the Herald know about it. Thanks in advance.

ANOTHER CORRECTION

Last week the Herald had it that Miss Juanita Adams and Mr. E. R. Bull were married on May 11 and it should have been March 11, 1937. Not May.

Let me buy your CATTLE and HOGS. Will pay the highest prices for beef cattle and I'll buy any kind of hog. See me, or write.

JONES BOYD. (27-4t)

CHARLIE LEE ADAMS

Hamlin may well boast that it has the largest Texas Hatchery. For weeks and weeks past, the seven big 50,000 capacity Smith units have been turning out thousands and thousands of chirpy, downy, lovely baby chicks—all breeds—all colors, and each chirping baby was just that much real wealth for Tex-as poultrymen.

The past few weeks, Curtis Martin, the promoter-owner-manager of the Hamlin Hatchery has been as busy as an old hen scratching to feed her brood, when bugs are scarce. The name "Hamlin Hatchery," "Texas' Largest Hatchery" has been carried to practically every rural mail box in the Central Western part of the state. The Herald has delivered 52,500 U. S. postal cards to Mr. Martin since May 1.

Mr. Martin has built up a very efficient organization to operate a hatching plant that produces over ONE MILLION CHICKENS in one season. It also means a higher and ready market for thousands of hens in this section of the county. It has been the means of much more employment in and about Hamlin. A big business requires work along down the line.

The biggest factor in upping the postal receipts in the Hamlin Office is the Hamlin Hatchery. Thousands of direct mail going out and coming in—crates upon crates of chicks have loaded the mail and express cars.

Already Mr. Martin is planning bigger and better chick production in 1938.

OFFICERS IN TOWN

Wednesday, two of Jones County's most efficient officers were here for some purpose. Let us tell you and you guess. Deputy Sheriff Dunwoody and County Attorney Gilbert Smith were the boys. Bet a dollar they have the hunch on who is poisoning dogs in Hamlin. You see such a person can be indicted for cruelty to animals—not dumb animals but the kind that has a heart as tender as some people—and more than some.

Miss Josephine McCoy of Tuxedo spent the past week as a guest of Mr. and Mrs. O. W. Rush near Neinda.

THE Bread Diet is unlike the extreme diets, which may result in nervous breakdown. Extreme diets should be undertaken only under a physician's direction.

Bread is not just a "starchy" food. It combines carbohydrates, for energy, and an especially effective form of protein that helps to burn fat while you are reducing.

Everyone should know that Bread itself is not fattening.

You can reduce on the Bread Diet—and be splendidly energetic all the time, not weak, tired and irritable.

The new Bread Diet makes reducing safe and easy. It gives you the main part of your energy food in appetite-satisfying Bread.

MCCAULLEY MATTERS

(By JOHN P. HARDESTY)

Official notice has been received by Supt. D. L. Smith from the State Department, that McCaulley High School has been granted three and one-half additional units of affiliation. This gives the school a total of sixteen and one-half affiliated credits and places it in the fully accredited class, as recognized by the State Department of Education. These additional credits are bookkeeping, commercial law, junior business training, and general mathematics. A full department in commercial work has been maintained the past year, including salesmanship, occupations, commercial geography, commercial law, junior business, commercial arithmetic, typing and bookkeeping. The school has also made commendable progress in voice and public school music. The district has more than 300 scholastics and twelve teachers.

Roy Perryman has returned from the Stamford hospital where he received treatment on Monday for chloride of mercury poisoning which he took through mistake, thinking he was taking aspirin. Indications point to his early recovery.

W. T. Donham was brought home from Hendrick Memorial Hospital Saturday where he had undergone treatment for pneumonia. He is convalescing at his home.

Closing date of the school is May 28. The baccalaureate sermon is to be at the Baptist church, Sunday night, May 23. Rev. J. Henry Littleton, Hamlin, has been selected to deliver the sermon.

A departure from the old type commencement is to be evident this year. There is to be no visiting speaker, no welcome or farewell speeches. Instead, the seniors will present a play, "Gypsies for a Day."

Characters for the play are J. B. Layroe, Ray Hendrickson, Elwood Kean, Ted Blackwell, Latane Akins, Millie Brennan, Willie Gibson, Flo Tegart.

rene Maberry, Frances Maberry, Lavern Parker and Elizabeth Hines.

The Boosters Club has named Mrs. Elsie Malone McCollum as honor guest for the banquet to be held in the Baptist Church Tuesday evening, May 25. Howard C. Davidson, member of the Legislature from this district, a McCaulley reared boy, has been chosen as guest speaker. Former pupils of Mrs. McCollum, who taught dramatic art for many years here, are invited to attend and pay tribute to this much appreciated and cultured woman, whose unselfish life has meant so much to this and other communities.

Roy Perryman has returned from the Stamford hospital where he received treatment on Monday for chloride of mercury poisoning which he took through mistake, thinking he was taking aspirin. Indications point to his early recovery.

W. T. Donham was brought home from Hendrick Memorial Hospital Saturday where he had undergone treatment for pneumonia. He is convalescing at his home.

A shower was given by the Home Demonstration club on Wednesday afternoon at the home of Mrs. S. E. Miers for Miss Lila Lee, who is to be married to Mr. John Reynolds sometime in June. Miss Lee is the older daughter of Mr. and Mrs. Carroll Lee, long-time residents of McCaulley. Mr. Reynolds is a resident of the Swedonia community.

A departure from the old type commencement is to be evident this year. There is to be no visiting speaker, no welcome or farewell speeches. Instead, the seniors will present a play, "Gypsies for a Day."

Characters for the play are J. B. Layroe, Ray Hendrickson, Elwood Kean, Ted Blackwell, Latane Akins, Millie Brennan, Willie Gibson, Flo Tegart.

HAMLIN, TEXAS

Report of West Texas Chamber of Commerce Convention

The Hamlin Herald has asked us to make a report on the annual meeting of the W. T. C. of C. Convention which was held at Brownwood, Texas, May 10th, 11th, and 12th.

COMPARISON WITH PREVIOUS MEETINGS:—It has been our pleasure to attend the last five Annual meetings of this Convention. From many respects and angles we give it as our opinion this Convention was largest attended, of any of the previous four we have gone to. Tuesday, the second day of the Convention, was conservatively estimated that there were ten thousand people present.

POLICIES OF THE MEETING:—The policies of the Convention are directed and managed by directors elected from the member towns, and at this time there are 185 affiliated towns. From the first day of the meeting until the last, these directors are meeting daily, going over the various resolutions that come in. The occupations of these directors are varied, including farmers, ranchmen, bankers, utility heads, representatives from the various colleges, oil mills, compresses and railroads and oil companies; in fact there is not an industry but what has its representation on this Board, all working together for the betterment and advancement of the various resources found in the territory comprising this large area.

PROGRAM:—From the very first day, there were group meetings of the varied interests meeting, meeting from time to time. On the first day was the meeting of the Farm Tenancy and Unemployment, presided over and assisted by experts who have the real figures covering the subject under discussion. On the second day was begun the preliminaries on the "My Home Town Contest Speaking," whose Chairman was C. M. Caldwell, of Abilene. More entries in this contest were recorded than of any previous meeting, there being 72, of whom 71 appeared and gave their speeches. It

was estimated that the representatives from these 72 towns had direct contact with more than one-thousand high school students who participated in the contest at the elimination contest held in their own Home Town. The winners this year were 1st place, Breckenridge; 2nd place, San Angelo and 3rd place, El Paso.

FINANCES:—The Treasurer, Mr. Francis of Stamford, Texas, came to the Convention reporting, despite the fact that the organization had spent considerable money this past year at Fort Worth, and on other interests, yet they were able to close the years work with a cash balance of approximately \$23,000. It seems now to be the purpose of the Directors and Management to keep the body clear of debt and carry enough surplus that at any time they have a project coming up that demands quick action they will have the money, and not have to make an extra call.

OTHERS ON PROGRAM:—At another Group Conference, presided over by Dr. Knapp of Tech. College at Lubbock, the subject of "Soil Conservation" was ably discussed by Dr. Knapp and Mr. R. E. Dickson of the Spur Agricultural Station. Facts and figures were produced showing just how much of the top soil of various sections had been depleted, also statistics showing how to preserve and bring back to these lost soils their productivity. At the general session of the convention, Wednesday morning, an address was given by the Hon. Karl Crowley, Solicitor for the P. O. Department, Washington, D. C. Mr. Crowley brought with him statistics obtained from the Treasury Department, showing just how much money Texas had received from the various relief programs during 1936, these he said amounted to \$175,000,000, and that during that year Texas paid into the Federal Government an amount of \$125,000,000, he said, "Gentlemen, there is no Santa Claus, if you get something from Uncle Sam, some one must pay the bill."

WE ARE INVITED

Attn: Mr. Pope.

We have just completed the construction of our new furniture building here and on the evening of May 24th will have our formal opening in the new place.

We hereby extend you a special invitation to be present for this occasion which we believe will be the opening of the finest and most modern store of this type in the southwest.

Sincerely yours,

BANBURY FURNITURE CO.,

deadly poison.—It was "Rusta," the D. Freedman police dog—a dog whose walk on Hamlin's streets was as familiar as the most prominent man. Rusta, the quiet, sociable, yet business-like fellow is no more—a terrible eating poison administered by someone, evidently for no good reason at all, took another companion of man—took the play-fellow from a family—can it be anyone gets pleasure from such a deed? Could the poisoner get joy from the suffering dog? Just why should such a feeling exist in a human heart? Wonder what will be the end of such a person? What will that one see as his or her last moments come? Is it likely that all the spirits of innocent dogs will yelp and gnaw at their troubled conscience?

Not only Rusta, but many others, for example the great and kind black shepherd that walked so contentedly behind "Uncle Henry"—a companionship unexcelled anywhere, yet that big faithful went the way of Rex, of Rusta and of many others.

Is there really another side to this

dog killing. Yes, a neighbor may be annoyed by your dog—yes, and the same neighbor may be annoyed by your child, your cow, your auto horn and maybe YOU. But IS it a neighbor who is killing faithful dogs? Everybody is your neighbor, so therefore the dog killers must be neighbors.

Dogs have caused plenty of trouble in the world, but it is generally intolerance that causes trouble. Love your neighbor and you will not hate his dog or child or even him or her. Dogs can cause annoyance—We humans cause our fellowmen annoyances—and sometimes a human poisons a human. Poor dogs—poor things.

House Joint Resolution

Proposing an Amendment to the Constitution of the State of Texas to be known as Section 20 of Article VIII, providing that no property of any kind shall be assessed for ad valorem taxes at a greater value than its fair cash market value; and giving the Legislature power to provide that the State and all governmental or political subdivisions or taxing districts may allow a discount for payment of ad valorem taxes before the date when they would otherwise become delinquent; and providing that this Amendment shall become effective January 1, 1939; providing for an election on the question of adoption or rejection of this Amendment; providing for the proclamation and publication thereof; and making an appropriation therefor; and prescribing the form of ballot.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section to Article VIII to be known as Section 20 and to read as follows:

"Section 20. No property of any kind in this State shall ever be assessed for ad valorem taxes at a greater value than its fair cash market value nor shall any Board of Equalization of any governmental or political subdivision or taxing district within this State fix the value of any property for tax purposes at more than its fair cash market value; provided that in order to encourage the prompt payment of taxes, the Legislature shall have the power to provide that the taxpayer shall be allowed by the State and all governmental and political subdivisions and taxing districts of the State a three per cent (3 per cent) discount on ad valorem taxes due the State or due any governmental or political subdivision or taxing district of the State if such taxes are paid ninety (90) days be-

WORKERS CLASS

The Workers Class met in the home of Joy Graham Monday night, May 17th.

Reports were made by various officers and the social hour was enjoyed by all.

Ten members, one visitor and the teacher were present.

Less Monthly Discomfort

Many women, who formerly suffered from a weak, rundown condition as a result of poor assimilation of food, say they benefited by taking CARDI-DUI, a special medicine for women. They found it helped to increase the appetite and improve digestion, thereby bringing them more strength from their food.

Naturally there is less discomfort at monthly periods when the system has been strengthened and the various functions restored and regulated.

Cordial, praised by thousands of women, is well worth trying. Of course, if not benefited, consult a physician.

Better make business a pleasure than pleasure a business.

If opportunity does not come to you, then go to it.

DENTON, Texas.—"Thirty foot" tales are now in order, since the Texas fishing season has opened. As the yearly trek to water-holes throughout the state begins, old Isaac Walton should thrill at the variety of fish and fishermen native to the Lone Star State.

BOYD CHAPEL CHIRPS

Another nice rain fell on last Wednesday night. All farmers are busy planting cotton.

G. W. Bristow was taken to the Hendricks Memorial Hospital in Abilene Thursday for a serious operation, and he is still very ill. Friends of Mrs. Bristow sympathize with her in the death of her brother-in-law, Mr. Grayson of near Merkel.

Mr. and Mrs. Theron Bingham and children of Wise Chapel visited with Mr. and Mrs. J. P. Bingham, Sunday.

Mr. and Mrs. Thompson Young attended court at Roby, Monday.

Duane Brown is spending the week with his grandparents, Mr. and Mrs. W. S. King of Anson.

A large crowd enjoyed a social at the home of Mr. and Mrs. J. P. Cornelius on last Friday evening.

Mrs. Kerr Whitenburgh of Neindia spent Wednesday night with her daughter, Mrs. Dorsey Bingham.

The H. D. Club met with Mrs. J. P. Bingham on last Wednesday. Miss Martin was present and demonstrated cake baking.

Those who visited with Earl Brown and family Sunday were Mr. and Mrs. W. S. King, Mr. and Mrs. Cloda Hubbard of Anson Mr. and Mrs. Gordon Green of Sinclair and Rev. Bateman and wife of McCaulley.

School closed here on last Thursday. A very interesting program was rendered that night. Rev. Maclean, pastor of the Presbyterian church of Anson gave a very interesting address to the following Seventh grade graduates: Fay Smith, W. M. Kelley, Virginia Cozen, Leo Young and Junior Hought.

A large crowd enjoyed the picnic at the school house on Friday. Several ball games were played in the afternoon. The married ladies played the girls a very interesting game—the score being 18 for the ladies and 21 for the girls. The men defeated the boys in one game, and the boys were winners in another.

ART ARNOLD'S COUSIN FROM UTAH Sees a "torture test"

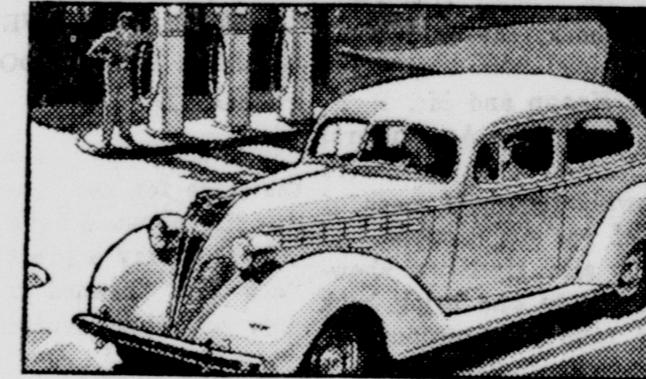

"Believe me," he writes, "I KNOW Hudson and Terraplane are the No. 1 CARS. I saw what they did on the Salt Flats!"

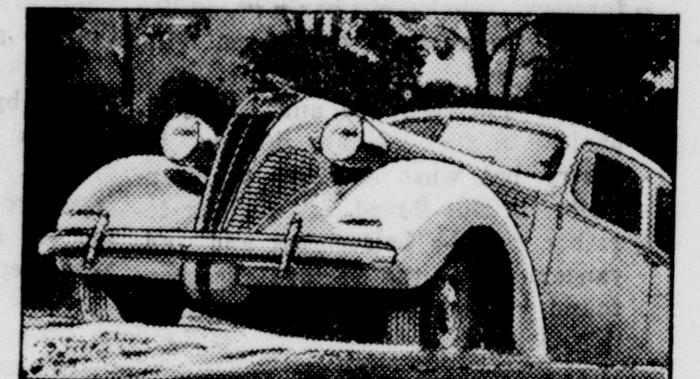

"I saw a LOW PRICED car beat the best any closed car had ever done before! That 1937 Terraplane . . . a stock car, mind you, picked at random by the American Automobile Association Contest Board officials . . . went 1,000 miles out there on those great Salt Flats, averaging 86.54 miles an hour! What a 'torture test' of endurance."

"Then a Hudson . . . 2104 miles in 24 hours! Out here, we've seen a lot of stock cars come to the Salt Flats and try for that 24-hour record . . . the prize of them all. But none ever touched what we saw that 1937 Hudson do! 87.67 miles an hour . . . for a full day and night! 32 official records for Hudson . . . on top of 8 for Terraplane!"

"Then those California records! Terraplane beat every other leading low priced car . . . and Hudson beat every other Eight . . . in the Los Angeles-Yosemite Economy Run. And then . . . the Wrightwood Canyon climb! Up 9 wicked, twisting miles in 8 minutes, 20 seconds for Terraplane; 8 minutes, 0.4 seconds for an official Hudson record."

"You can bet it's Hudson for me! Those people know how to build automobiles. Art. More power. More size and room. More economy and safety and endurance than any other cars anywhere near them in price, proved in official tests. I've got mine . . . and once you drive one, you'll say it's your No. 1 CAR, too! See if you don't!"

No. 1 Cars of the Low and Moderate Price Fields

No. 1 Wheelbases . . . 117 inches in Terraplane; 122 and 129 inches in Hudson.

No. 1 Horsepower . . . 96 and 101 in Terraplane; 101, 107 and 122 in Hudson. Double carburetor in Super Terraplane and all Hudson Sixes and Eights.

No. 1 Roominess . . . 55 full inches of front seat comfort for three.

No. 1 Driving Ease . . . with exclusive Selective Automatic Shift (an optional extra).

Wienke Beauty Salon Air Conditioned

This issue of the Herald carries a nice ad for the Wienke Beauty Salon, telling customers of the comfort to be found in their newly air conditioned building and calling attention to the many other recent improvements they have made for the benefit of their customers.

With all this modern improvement comes a new name—no longer the Wienke Beauty Parlor but the "WIENKE BEAUTY SALON."

Miss Wienke believes in modernism in reality, as well as name, and has shown this in the redecoration of her shop, the new equipment and furniture which she has added. In the front of the building display windows have been taken out giving more space in the reception room which is furnished with Royal Chrome metal furniture, upholstered in antique ivory. At the windows venetian blinds in ivory with a touch of black completes the effect, walls and woodwork have been given new touches of paint, in the beauty work department, a new booth has been added to make room for new beauty equipment.

Eleven years ago last February Miss Elsie Wienke and her sister Miss Roxie Wienke opened the first Beauty Shop in Hamlin in the balcony of the D. J. Payne Dry Goods store, located in the building now occupied by Safeway. As we recall, the equipment of that shop consisted of a lavatory, a barber chair, shears, two marcelling irons, combs, manicure scissors, face creams, powder and rouge. Soon the wonder of wonders was added, a permanent wave machine—the kind that baked little hard wrappings

over the hair that had to be broken and pulled off—and my! how that did hurt, but Hamlin women didn't mind because this wonderful invention was causing many dreams to come true, neither did they mind putting down the fifteen dollars, the price of this suffering, because they believed a permanent wave was what it said—permanent. Time and experience has enlightened us on this subject as it has many others. Now we know a permanent wave is to last only a given length of time, that the method has been so improved, one may be had without any inconvenience, and we might also state prices on this work have been greatly reduced in the past few years.

Miss Wienke, we congratulate you on your eleven years of progress in Hamlin, for the spirit you have shown and are showing to prove that you believe the best is none too good for Hamlin people.

FAIRVIEW SUNDAY SCHOOL
CLASS ENTERTAINED

The young married folks Sunday School class was entertained in the home of Mr. and Mrs. Clarence Street, Thursday night with a "Tacky party." Those assisting Mrs. Street were Mrs. Howard Jenkins, Mrs. Woodrow Goodwin and Mrs. Clifford Harber, the class teacher.

As the "tackies paraded in the dining room, they were judged by Mr. John Taylor, Clifford Harber and Clarence Street. Mr. Woodrow Goodwin was selected "king of Tacks," and Mrs. Bert Fomby selected as "queen of Tacks." Following was the coronation of the king and queen. A very comical game the automobile race, completed the games.

The devotional was given by Mr. Howard Jenkins and a brief business session was conducted by Mrs. Harber as president. The following officers were elected: Howard Jenkins, President; Mrs. Bert Fomby, Secy.-Treas. The committees appointed were: Johnny Agnew, Bert Fomby and Elmer Joiner, social committee; Howard Jenkins, Clarence Street and Woodrow Goodwin, program committee.

Refreshments of orange-lemonade and cookies were served buffet style to the following: Mr. and Mrs. Howard Jenkins, Mr. and Mrs. John Taylor, Mr. and Mrs. Woodrow Goodwin, Mr. and Mrs. Elmer Joiner, Mr. and Mrs. Alan Hewett, Mr. and Mrs. Bert Fomby, Mr. and Mrs. Collins Beatty, Mr. and Mrs. Johnny Agnew and daughters Joy, Jo Ann and Janice, Mr. and Mrs. Clifford Harber, Mr. and Mrs. E. J. Creswell, and Mr. and Mrs. Street.

BAPTIST W. M. S.
HONORS SENIORS

The members of the Senior Class wish to take this opportunity to thank the women of the W. M. S. of the Baptist Church for the lovely reception given in their honor on the evening of May 6. Other guests were Miss Ruby Thompson, class sponsor and Mr. and Mrs. C. G. Green.

The basement of the Baptist Church was beautifully decorated in purple and gold flowers, the Senior class colors. The guests were received by Mrs. W. R. Wilkerson, Rev. and Mrs. Littleton, Mrs. Albritton, Mrs. John Howard, Mrs. Burns, Mrs. Tate May, Mrs. M. Y. Wilson, Mrs. Steel, Mrs. Odom and Mrs. W. L. Boyd. Misses Arice Jones and Lowell Ballew, presided over the punch bowl and also gave out the programs, which were miniature gold colored diplomas, tied with purple ribbon.

The first number on program was a song, "The One Rose," by the Seniors. Mrs. Tate May gave a welcome address and Lester Morton, president of the class gave the response. Mrs. Roberts gave a vocal solo, accompanied by Forrest Greenway at the piano. Miss Pat Albritton gave a reading. Then Rev. Littleton introduced Rev. Pat O'Brian, pastor of the Stamford Baptist Church, who was the principal speaker for the evening. Forrest Greenway furnished piano music during the refreshment hour. An attractive plate carrying ice cream, cake, mints, a bouquet of purple flowers and a graduate doll, dressed in a cap and gown was passed to each guest.

The Seniors and their sponsor, Miss Thompson wish to say again, "Thank you for a most pleasant evening and a life time memory."

Mrs. E. M. Wilson and daughter, Miss Elmo Joy, of Denton were here Saturday and Sunday on a business trip and to visit relatives.

We, the Seniors, left the High School building Friday morning, May 7, at 6 o'clock, embarking on a two day and nights trip to the Carlsbad Caverns in New Mexico. We took two Hamlin School buses, with Mr. W. F. Johnson, driving one and Mr. T. C. Robertson driving the other. The route that was taken, was by Sweetwater, Pecos and then Carlsbad. At a small town called Monahans, we

stopped for a much needed lunch, so Mr. Bennett thought. In Camp Dixie in Carlsbad City, the night was spent, the boys in a dormitory and the girls in three apartments.

Everyone who wanted to, was permitted to go swimming at the Beach in Carlsbad.

Saturday morning we got on the buses and went over to the Caverns and spent most of the day going through them. At about four o'clock everyone was out of the caverns, and we started home about five o'clock, but stopped in Pecos for about an hour then stopped several times on the way home. We arrived in Hamlin at 6 o'clock Sunday morning, May 9, gone exactly

forty-eight hours. The Seniors were a tired and sleepy, but very happy bunch and everyone thoroughly enjoyed the trip and thought it the most successful ever taken.

The sponsors were: Ruby M. Thompson, Irene Thompson, Mr. and Mrs. G. R. Bennett, Mrs. W. F. Johnson and Mrs. Preston.

The Seniors were: Alvis Bond, L. C. Bond, D. W. Carlton, Maurice Crow, John Durham, C. L. Dillard, Leonard Foster, Emil Ray Farmer, Herschel Fielder, John F. Green, Ray Humphreys, Herman Hunter, T. P. Johnson, Ray Johnson, Ted Longino, Lester Morton, Fred B. Moore, Lovel Stell, Sam Adkins, J. T. Sipe, J. B. Terrell, Audine friends.

Vaughan, Marvin Davidson, Johnnie James Maberry, Mary Lou Bailey, Callie Jo Bailey, Beulah Lou Burns, Virginia Collins, Fleda Elkins, Patsy Harwell, Juanita Flenniken, Viva Dell Anderson, Inez Howard, Erma Locke, Lela Meeks, Helen Morrison, Lila Bell Moore, Dorothy Morgan, Lola Faye Newsome, Lataine Preston, Thomas Bond, Neenie Mae Scott, Margaret Wallace, Mary Lee Winslett and Bertha Young.

Mr. and Mrs. Wilburn Young, of Van, Texas, were here this week to visit her parents, Mr. and Mrs. Pat Collins and other relatives.

Mrs. Duffield Smith and sons, Duffield Jr. and Wade Cassle, of Dallas, are here to visit her parents Mr. and Mrs. H. O. Cassle. Another daughter, Mrs. Harry Pitzer of McAlester, Okla., is expected Friday for a visit.

Mr. and Mrs. W. C. Kiker, of Irran, and Mrs. Lois Barbour, Iowa Park, are the guests in the home of Mr. and Mrs. B. L. Jones.
